JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 24 May 1972

1. (Internal Use Only - JMM) Called Senator John Sherman Cooper (R., Ky.) regarding the Baker amendment on dissemination of information to S. 3526 and left word for him to call me.

2. (Internal Use Only - JMM) Marshall Wright, Deputy Assistant Secretary of State for Congressional Relations, called to say he had just talked to Tom Korologos, of the White House, who had said that the Scott amendment to knock out the 10 per cent cut in overseas personnel and the Baker amendment to knock out restrictions on dissemination of information abroad might be coming up for a floor vote this afternoon. He said that Korologos was calling around to urge everyone who had not done so to get in touch with their main contacts on the Hill to get support on these measures.

Tom Korologos, of the White House, called regarding the above mentioned Scott and Baker amendments, urging that we express our concern to our main contacts on the Hill. I told him what we had already been doing in this connection and he seemed reassured, indicating that he would try to get other interested agencies to take similar action.

3. (Confidential - JMM) Talked to John Lehman, of the White House staff, to clarify the arrangements for the LIG meeting on handling the SALT matter at 3:00 tomorrow in the Cabinet Room which Mr. Duckett and I will attend.

25X1 4. (Confidential - GLC) Made arrangements for Mr. Ed Hartung, Senator Milton Young's former Minority Counsel on the Senate Appropriations Committee, to be in touch with [redacted] of DDS&T, regarding the interest of the Western Gear Company in talking with us about their capabilities.

25X1 5. (Confidential - GLC) [redacted] DDP, called and asked if we could approach J. Sourwine, Chief Counsel, Senate
25X1 Internal Security Subcommittee, and obtain his assistance in locating employment for [redacted]. I told [redacted] I would check the file on [redacted] and then make contact with Sourwine.
